

### **To Bobcat Hockey Alumni, Parents, and Supporters-**

The Bowling Green High School Bobcat Hockey program has positively impacted hundreds of students over the past several decades. For those fortunate enough to have been part of the program, either as a former player, manager, parent, or supporter, it's clear how important Bobcat Hockey has been to the lives of many. The lessons and experiences the program's coaches, trainers, and administrators passed on have not soon been forgotten, and this spirit continues today.

There is overwhelmingly a sense of pride for anyone who has been associated with Bobcat Hockey. The program has been successful; multiple state and league championships and hundreds of wins embody one level of success. However, the true measure of the program is the number of alumni who have gone on to lead successful lives after their playing days were over. With this in mind, the Bobcat Hockey Alumni Scholarship was created in order to provide monetary assistance to an outgoing college bound Senior who embodies the spirit of the program.

If you would like to make a one time or ongoing donation to the Bobcat Hockey Alumni Scholarship, the Scholarship Committee truly thanks you for your support. Any level of gift would be very much appreciated not only by the Scholarship award winner, but to all those involved in the program.

If you would like to contribute to the Scholarship fund, please send your tax deductible donation to the following:
